**Pocket Piece**  
Cut 1 on fold in main fabric  
Cut 1 on fold in lining fabric

## TILE PLACEMENT GUIDE

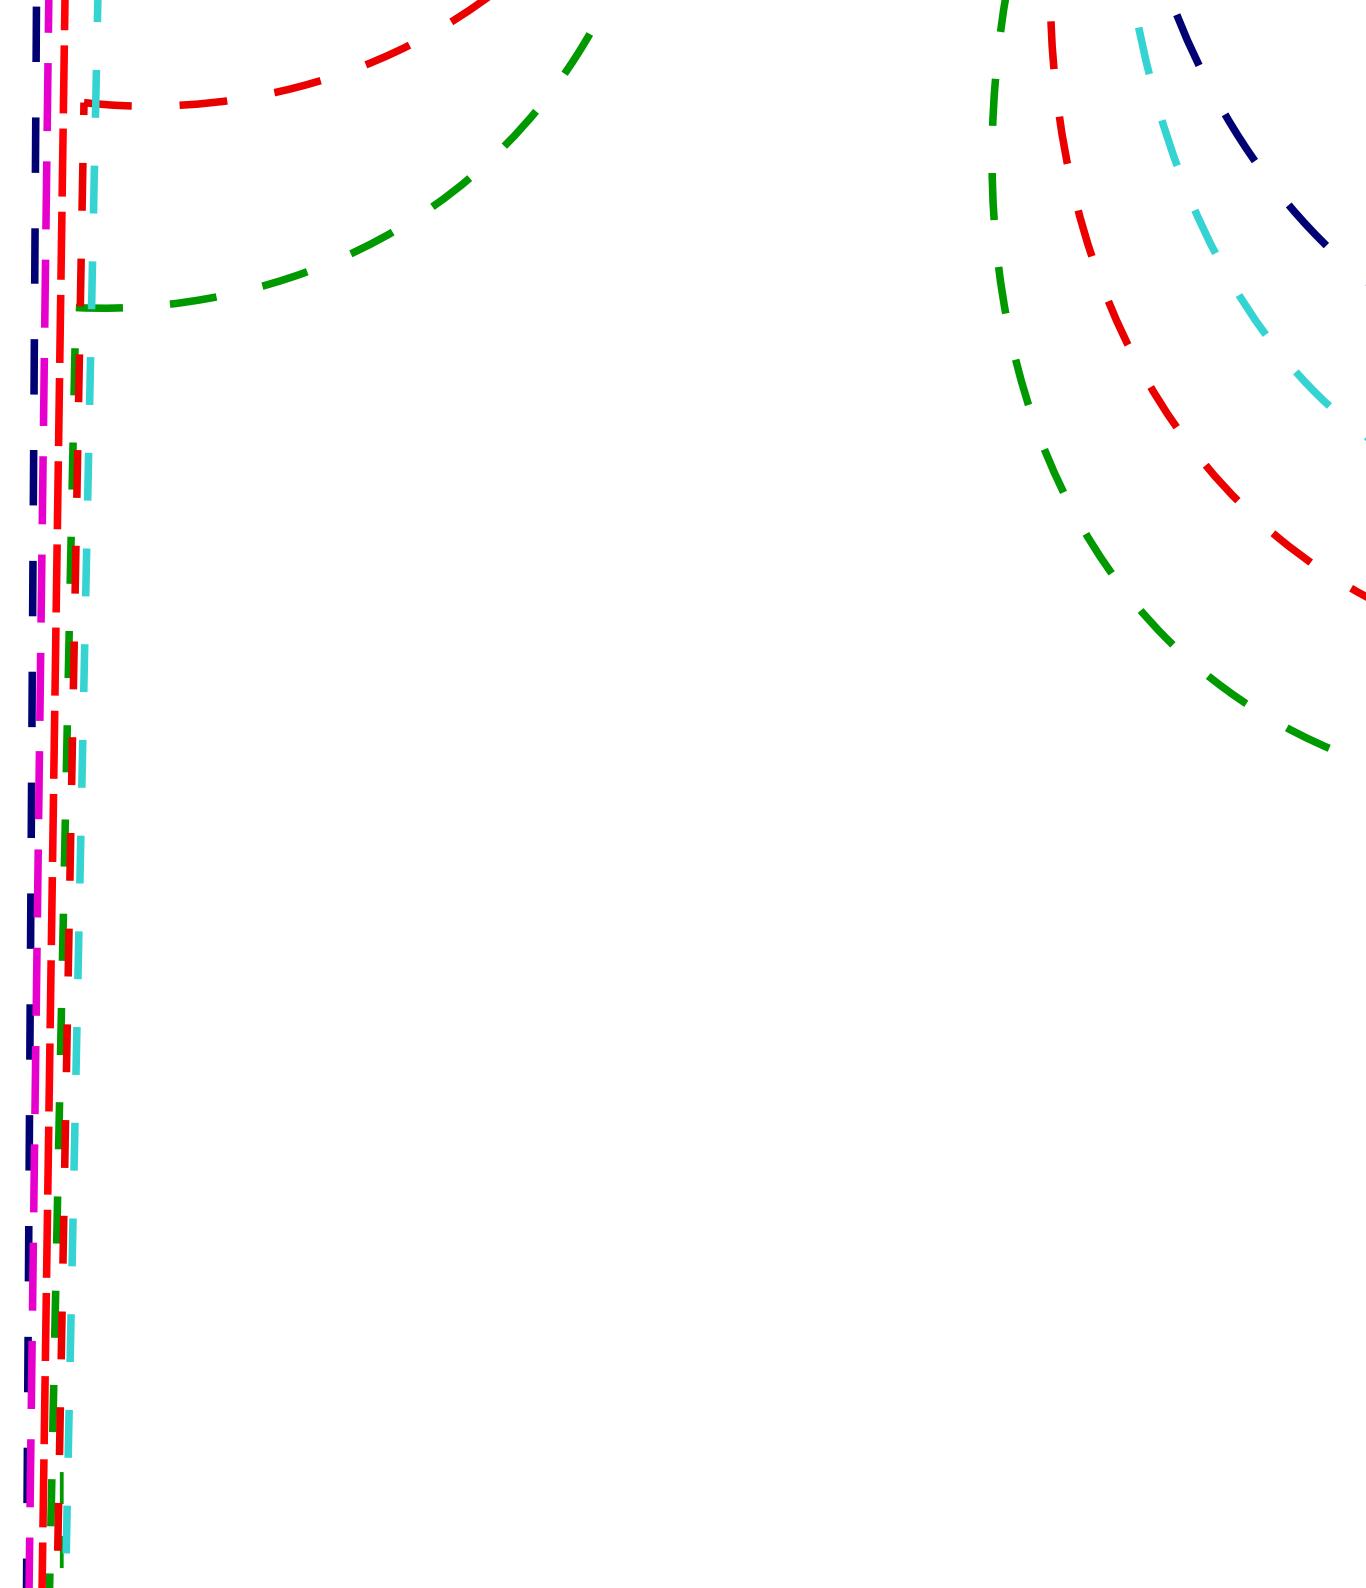

Print out the tiles on A4  
printer paper. Print actual size.  
Do not select auto size or autofit

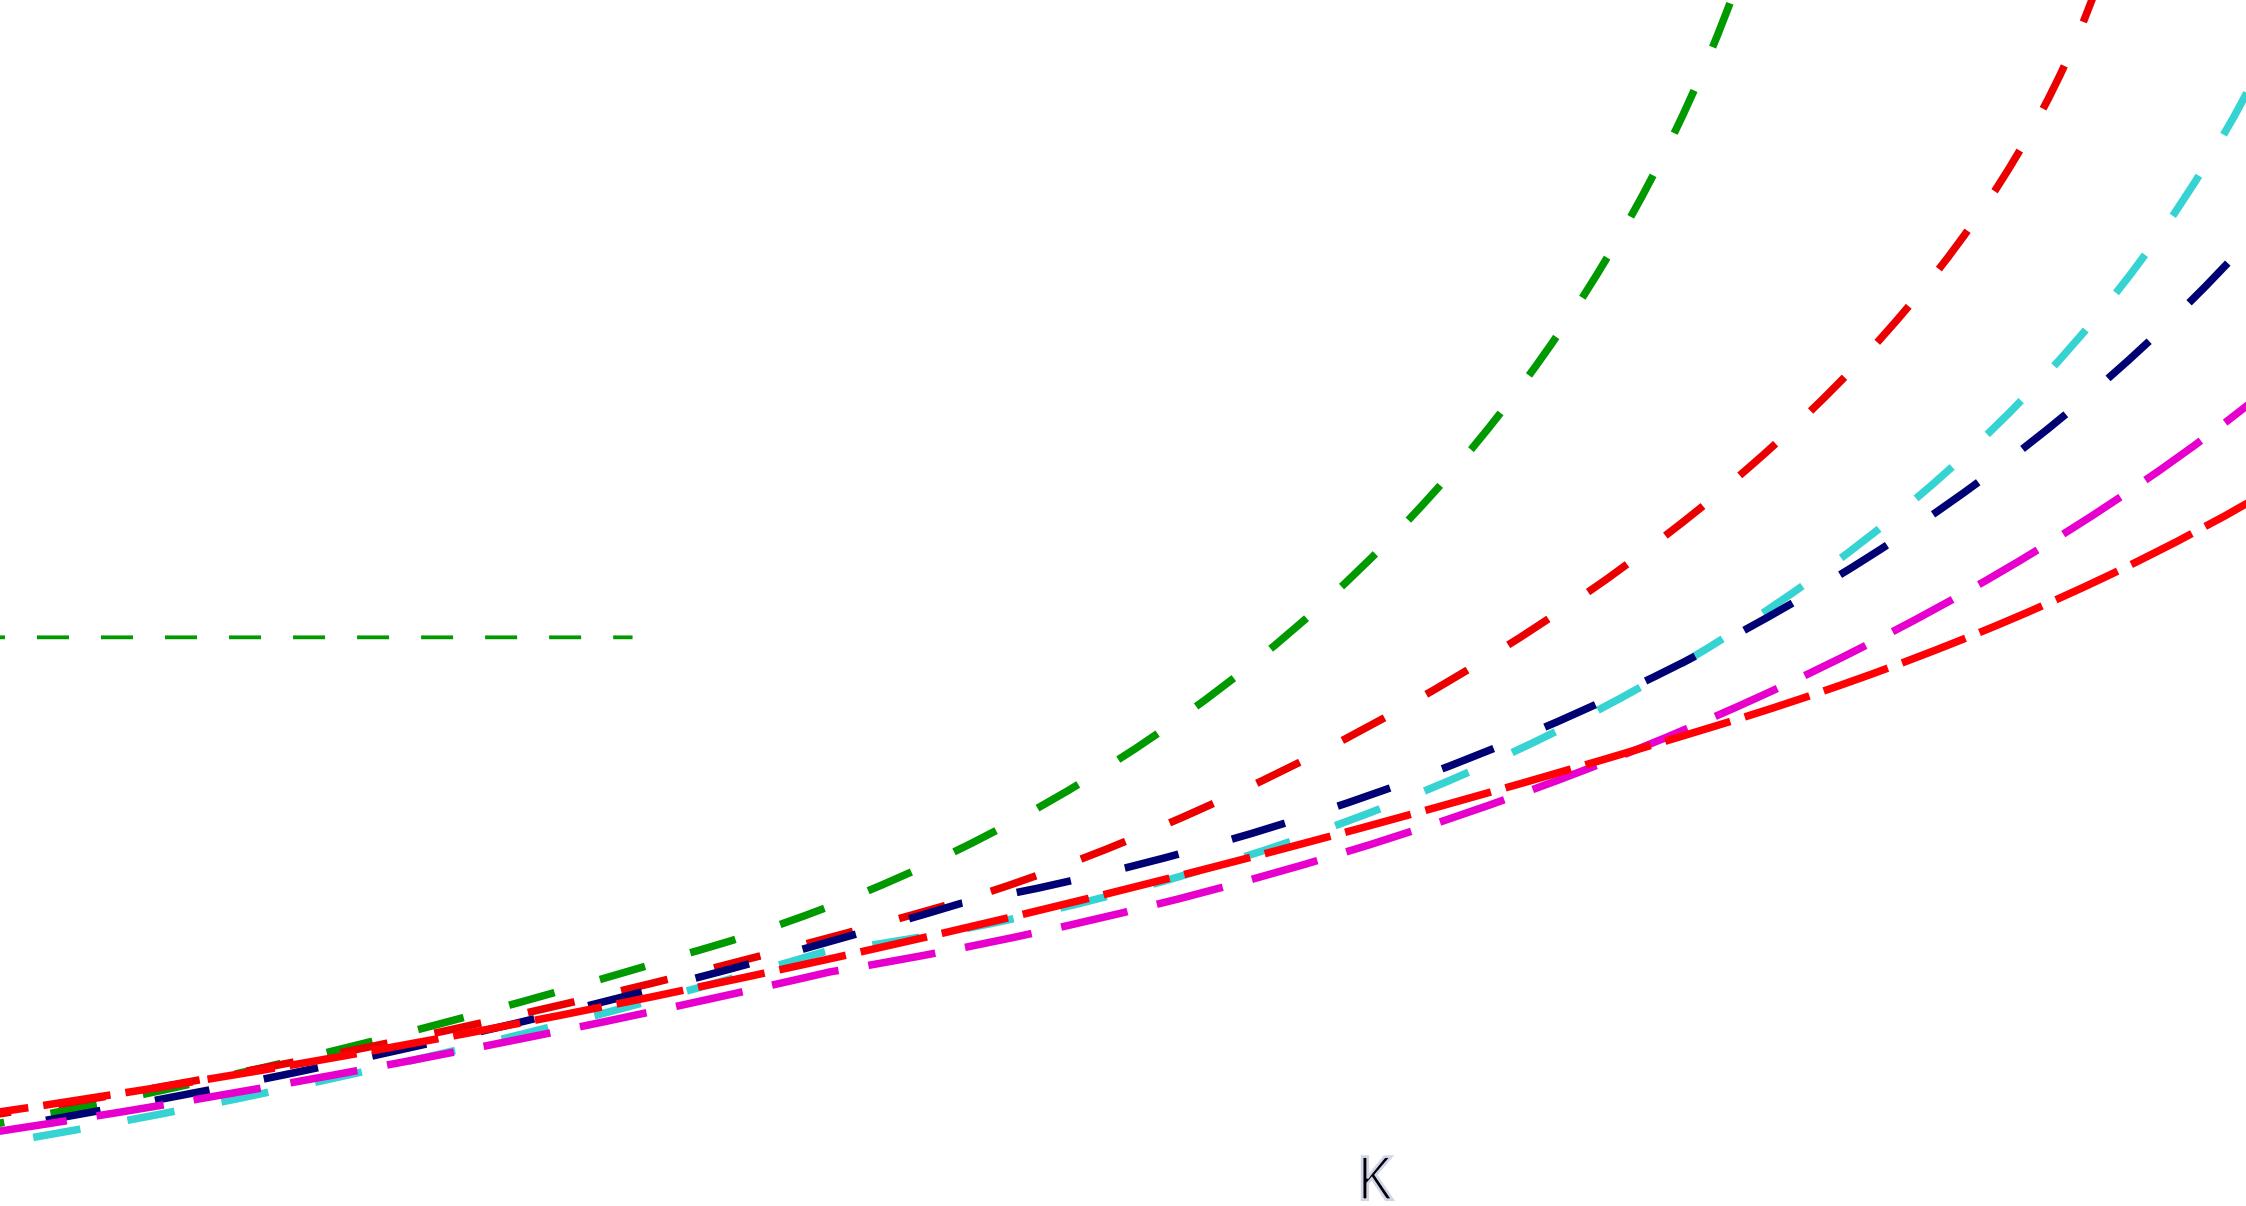

Once the tiles are taped together cut out the pattern for the size you require.  
Cut along the dashed line for the size. Cut out the pocket size.  
Cut on the fold of fabric as shown.

Fold Line/ Stitching Line

The diagram shows a rectangular pocket area. A solid horizontal line at the top represents the fold line or stitching line. A dashed vertical line on the right represents the top edge of the pocket. A dashed line at the bottom represents the bottom edge of the pocket. The corners where the dashed lines meet the solid line are rounded. A small black triangle points to the solid line with the label "Fold Line/ Stitching Line".

## Printing Guide

Print actual size. Do not select auto size/autofit or fit to page when printing

10cm x 10cm

This box should measure 10cm x 10cm  
If it doesn't then your pattern will  
print the wrong size
